DEPARTMENT OF INTERNATIONAL RELATIONS

UK EDUCATION FAIR BY BRITISH COUNCIL ON 31-01-2020 & 01-02 2020

On 31st January 2020, Education Fair offer a wornderful platform where the students can interact with the representatifves of the sponsoring Universities. The main purpose of the Education Fair is to contirbute to the field of Education with concrete objectives such as Creation of opportunities for prospective students to receive valuable information about educational opportunities both within and outside the country and obtaining different type of assistance including Scholarships.

The Education Fair is one of the best opportunities for the studens to discover their dream programme or to get a feel of other suitbale study option. Meeting University Representatives in person as well as peers who may have similar goals for their further education or career is certainly worth spending the time.

Against the Invitation to our BIHER, Dr. R. Hariprakash, the Additional Registrar and Director of International Relations on behalf of BIHER participated in the Meeting convened for the purpose of organizing the Education Fair in Chennai, in an effective manner.

Accordingly, the Education Fair has been organized by the British Council on 1st February 2020 with the objectives of One to one Guidance, securing first hand Knowledge, opportunity for any clarification, explore the possibilities of Financing and also to know about the Scholarship and other benefits to the students, offered.

The representatives from various Universities of UK have participated in this Education Fair and the Students / Staff of CSE Department, attended this Education Fair Programme.

The Students have interacted with the Representatives of the UK Universities viz. The feedback received from the students reveal that this Programme is quite impressive and informative and they also exdpressed their desire to participate in more such events.
